

ProSource/Manassas Wins President's Award

Alexandria, VA May 4, 2007

CCA's ProSource/Manassas location was presented the 2006 President's Award, considered to be one of the most prestigious awards given by ProSource Wholesale Floorcoverings, at its recent national conference in Grapevine, TX. ProSource has 165 showrooms across the U.S and Canada. As noted by David Kraeling, President of ProSource, "This was one of only two awards given this year and the Manassas Team is recognized for their **'Outstanding Overall Performance'** in Sales, Market Share and Co-Op purchases."

The award was accepted by Steve Rowell, Sales Manager of CCA's ProSource Group, who said, "It was a team effort made by the entire staff at ProSource of Manassas. It's the team dedication to outstanding customer service and the importance of great client relationships that has made this award possible."

According to Daryl Reinke, President of CCA, "With the addition of ProSource of Dulles in the fall of 2006, we are enjoying great successes at both locations and pleased to accept an award for all the efforts put forth."
